About the Financial Expert

**Hi! My name is
Himanshu Verma**

I have been working in the financial industry since 2015, when I started as a client relationship executive.

I specialize in portfolio management, insurance planning, and working with young & experienced business /start-ups owners.

Career Timeline

2014

Started my professional career journey

From call center I have started with Bharti Airtel, and worked some 1.5 years overthere.

2017

Joined Sharekhan BNP Praibas

As a client relationship executive worked for Sharekhan around 2 year of something, and learned so many things.

2019

Become Managing Director

Joined Beinfinitive Investment Services as a Managing Director in the finance field.

2020

Ex Co-Founder

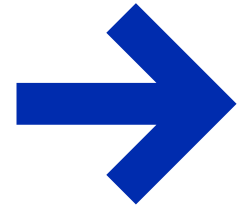

Started partnership firm called InvestChaCha Advisory Services in the finance field and worked there as a co-founder.

2021

Founder & CEO of HimanshuGyan LLP

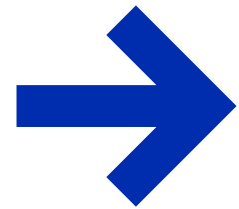

Finally, woking in my own startup to spread financial literacy across India, while working in the multiple segments of the finance field. i.e Stock Market, Real Estate, Loans etc.

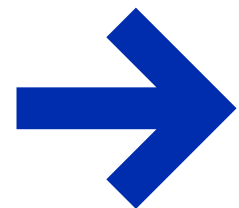

Portfolio and risk management

Portfolio risk management involves processes to identify, assess, measure, and manage risk within the portfolio and is focused on events that could negatively impact the accomplishment of strategic objectives.

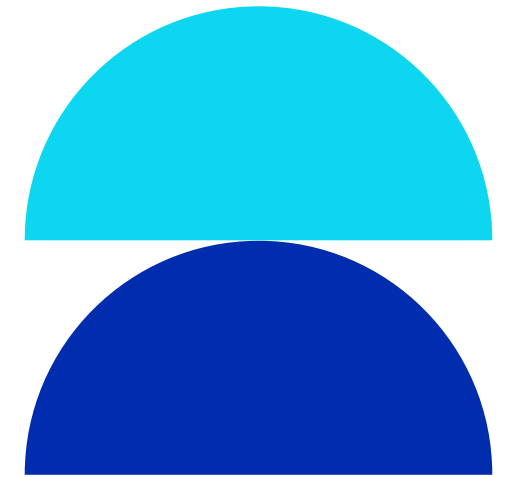

Retirement planning

Preparing today for your future life so that you continue to meet all your goals and dreams independently.

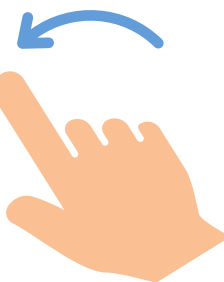

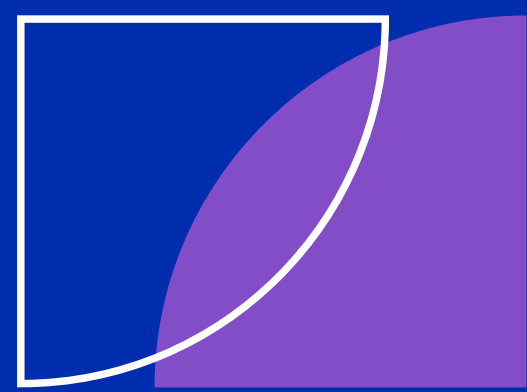

A financial consultant with Coach

A financial consultant helps a business increase shareholder value and improve capital efficiency, A trading mentor is someone who can help you through the process of understanding the market.

Financial Services Offered

**A financial consultant's
honest and objective
feedback is worth
their weight in gold.**

Financial consultant keep you well-informed to
help you make better financial decisions.

Shekhar Sawhney

"He has a good knowledge of share market and if you take some service from him then he is always there with you anytime for your doubts and his training course is very helpful for those who are new to the market and really want to earn in the share market."

Gautam

"Mr. Himanshu is very well trained, and helpful for me about making my investment in the right place through long term and BTST even SWING strategies. Thanks, Verma Ji for your support. :-)"

Himanshu Narayan

"BTST calls given by Mr Himanshu Verma have a very high accuracy percentage. Its very easy to contact him and get answer to your queries. I am glad to be associated with him."

Client Testimonials

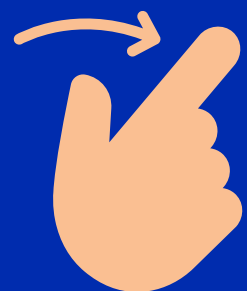

Positive client feedback is the foundation of my business success.
